LEGISLATOR CALARCO AT MIDDLE ISLAND CIVIC

GUEST SPEAKER TALKS ABOUT COUNTY ISSUES

Suffolk County Legislator and Majority Leader Rob Calarco was invited to be the guest speaker at the March meeting of the Middle Island Civic Organization at the Middle Island Fire Department.

Civic President Gail Lynch-Baily said, "It's always a pleasure to welcome Legislator Calarco to our Middle Island Civic Association meeting. Rob patiently answered many members' questions about affordable housing, the proposed casino, the Middle Country Road task force and more."

"I love going out into the community to discuss local issues," said Legislator Calarco. "Government works best when it goes out to the people it serves. Thank you to the Middle Island Civic for inviting me to be their guest."
